JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Street Cars—Cleaning and Ventilation. (Ord. C1848, Jan. 4, 1915.)

SEC. 89. Every closed street railway passenger car operated in Spokane shall be properly ventilated while in operation and shall be properly aired at the end of each round trip. It shall also be cleaned at the end of each day's run and disinfected at least once each week in such manner as the health officer may direct or approve. The dry sweeping or dusting of any street car while it is on any street is strictly prohibited. The president of the board of health, the health officer, or any of his deputies may order any street railway passenger car operated in violation of any provision of this section to the car barns, and the company shall immediately comply with said order. All street cars shall be adequately heated in cold weather.

Sweeping of Sidewalks—Regulation of. (Ord. C1848, Jan. 4, 1915.)

SEC. 90. The dry sweeping of any sidewalk within the fire limits, except when the temperature is below the freezing point, is hereby prohibited. All such sweeping shall be done between the hours of 12 o'clock midnight and 7.30 o'clock a. m.

Rummage Sales—Permit Required. (Ord. C1848, Jan. 4, 1915.)

SEC. 91. Any person desiring to conduct a rummage sale or establish a place where secondhand articles of clothing, toys, books, or wearing apparel are disposed of shall, before selling, offering for sale, or giving away free of charge any of the aforesaid articles, apply to the health officer for permission to do so. It being expressly understood that such permission shall be granted when the aforesaid articles are thoroughly fumigated in such manner as the health department may direct.

Domestic Animals—Disposal of Dead Bodies—Poultry—Keeping of—Coops and Inclosures. (Ord. C1848, Jan. 4, 1915.)

SEC. 92. No person shall deposit, leave, place, or bury the carcass of any dead animal in any place within the city of Spokane, or in the Spokane River, or Latah Creek, within the city limits.

SEC. 93. The owner or owners of any dead animal which shall die within the city of Spokane shall, within four hours after the death of said animal, notify the city crematory division to remove the dead body, at his expense.

SEC. 94. No person, or persons, shall haul or convey the carcass of any dead animal within the city of Spokane without first having obtained a permit therefor from the health officer.

SEC. 95. No poultry or pigeon coops shall be located, or any poultry or pigeons be kept, housed, or yarded nearer than 15 feet from any occupied house or residence, except that live poultry may be kept for sale in stores or markets under such regulations as the health department may prescribe.

SEC. 96. All poultry or pigeon coops, or houses and pens or yards, shall be kept clean and free from decaying foods and from filth of any kind. Pens or yards must be raked and all filthy litter removed at least once each week from April 1 to November 1. Four square feet of yard room for each fowl shall be provided, and all pens or yards shall be spaded whenever so required by the health department.

SEC. 97. All poultry and pigeon coops and houses shall be properly lighted and ventilated, shall be kept free from vermin, and shall be whitewashed or disinfected and put in such condition as may be ordered by the health department.

SEC. 98. The droppings from poultry and pigeons and the yard rakings shall be subject to all provisions of this ordinance relating to stable manure.

Stables—Location and Construction; Manure—Care and Disposal. (Ord. C1848, Jan. 4, 1915.)

SEC. 99. It shall be unlawful for any person to construct, reconstruct, maintain, use, or occupy any building or premises as a stable for two or more animals without first obtaining a permit from the health department, specifying the name of the
